EXPERIENCE BOYNE AND BEYOND...

Boyne Vacation Club members can reserve time at hundreds of participating resorts, located in popular travel destinations throughout the world.

Stays are measured through a system of points. Each unit at Boyne and Interval International resorts is assigned a corresponding weekly and nightly point value. Points are assigned based on unit size, location, season, demand and value. When you “donate” points attributed to your property, you can use those points toward reservations at other resorts.

Plan a reunion — *in Paris.*

Ski a mountain — *in the Alps.*

Golf eighteen — *on the coast.*

Touch a shark — *in Tahiti.*

EXPLORE THE POSSIBILITIES.

We love traveling as a family to new places and the flexibility is incredible. We love all the different accommodations that Boyne Vacation Club offers between Boyne properties and Interval International.

The Valente Family

Our investment in Sugarloaf Mountain Hotel allows us to use our points to spend one or two weeks per year at the Summit or Jordan hotels at Sunday River during peak season. The great feature of belonging to Boyne Vacation Club is that there are no costs for our lodging. I can not say enough about the ease and simplicity when booking our stays.

The Chase Family

Blessed with more than 400 inches of powder each year, Big Sky Resort lives up to its name, with 5,800 skiable acres and 4,350 vertical feet of incomparable terrain. Make the most of your points with access to a wide variety of accommodations, unmatched base village amenities and all the trappings of a big western skiing experience.
